

2014 Amelia Earhart Fellowship

Expanding opportunities for women in aerospace-related sciences and aerospace-related engineering

AWARD US\$10,000 TO 35 INNOVATIVE WOMEN FROM AROUND THE GLOBE EACH YEAR

APPLICANT REQUIREMENTS

Women of any nationality who are registered in an accredited Ph.D./doctoral program in a qualifying area of science or engineering closely related to advanced studies in aerospace-related science or aerospace-related engineering (students pursuing a post-doctoral research program are not eligible) are eligible to apply.

Applicants must demonstrate a superior academic record at a recognized university or college with accredited courses in aerospace-related studies as verified by official transcripts and recommendations.

When applying, please provide evidence of a well-defined research program in aerospace-related science or aerospace-related engineering and clearly demonstrate the relationship of your research to aerospace.

DEADLINE: 15 NOVEMBER 2013
