

Congratulations!

Shelley Potter,
CHE Lab Manager

received the

2016 CEAT Outstanding Staff Service Award

Tyler Martin

"Investigation of Functionalized Spherical Silica as a Hydrate Blockage Inhibitor using a Flow Loop System and Optical Microscopy"

Congratulations!

2016-2017 Wentz Research Scholars

Advisor: Dr. Clint Aichele

Tyler Goldsmith

"Quantification of the Effect of Solids in Solution on Gas Evolution Rates"

AICHE Regional Conference

Chemical engineering students pictured above represented OSU at the regional AIChE Conference held at Kansas State University in Manhattan, Kansas this past week.

Chem-e-Car team "Gone With the Wind," shown at left in the OSU Chem-e-Car Competition, received an award for the Most Creative Design at the Regional Competition.

Congratulations!

Carol Abraham

was awarded

2nd Place

for her poster titled

**"Improving the Stability of Chitosan Gelatin Based
Injectable Hydrogel for Cardiac Regeneration Therapy"**

presented at

Research Day at the Capitol

Rachel Davis

Junior

Chemical Engineering

Advisor: Dr. Fahlenkamp

"Investigation of the Interaction Between
a Novel Drug Delivery System and an
Epithelial Cell Layer"

Congratulations!

2016 Women's Faculty Council Research Awards

Michele Higgins

Junior

Chemical Engineering

Advisor: Dr. Ford Versypt

"Mathematical Modeling of Podocyte
Cells in a Diabetic Kidney Disease"

**The CHE 3123 Chemical Reaction Engineering Classes
toured the Iron Monk Brewery in Stillwater on March 23 & 24.**

Congratulations!

Rachel Davis

2016-2017 Wentz Research Award

Advisor: Dr. Heather [Fahlenkamp](#)

“Investigating the Effect of Repeated Exposure of Nanoparticles in the Lung”

Congratulations!

Dr. [Rudra Bhowmick](#)

was recognized for his

Outstanding Student Abstract

at the

ASM Microbe 2016 Conference

for

“Studying the Response of Alveolar Epithelial Cells in a Three-Dimensional Tissue-Equivalent Respiratory Model to Influenza A Virus Infections”

which will be presented at
ASM Microbe 2016, Boston, MA, June 2016

Jacquelyn Lane, junior chemical engineering major, received the Women for OSU "Student Philanthropist of the Year Award" and a \$5,000 scholarship for her organization of the #Stillwater Strong t-shirt campaign and her volunteerism at a non-profit organization, Ubuntu Youth, in South Africa.

Congratulations!

Women for OSU is a diverse group of visionary women who share a passion for inspiring leadership and financial support to OSU. Women for OSU envisions a culture of giving and service that acknowledges the significant impact women have at OSU and inspires others to positively shape the future of the university through philanthropy and engagement.
