

COLLEGE OF  
Engineering, Architecture & Technology  
**CONTINUING STUDENT SCHOLARSHIPS**

Current undergraduate and graduate students enrolled full-time in the College of Engineering, Architecture and Technology are eligible to apply for annual scholarships. Thanks to the generosity of alumni and industry donors, students in this college have many unique scholarship opportunities to assist them in pursuing their educational dreams. These scholarships vary in criteria, from GPA requirements to demonstrated financial need.

**SCHOLARSHIPS FOR CONTINUING CEAT STUDENTS:**

Current students enrolled full-time in any area of study within the College of Engineering, Architecture and Technology must complete a continuing student application to be considered for the over 600 scholarships available for continuing students. By completing the application on or before February 1 students will be considered for all CEAT scholarships based on eligibility, ranging from GPA requirements to demonstrated financial need.

To apply, visit: [www.ceat.okstate.edu/scholarships](http://www.ceat.okstate.edu/scholarships)

**CEAT CAREER GRANT:**

The CEAT Career Grant provides assistance, as funds are available, to students with limited financial resources. We are pleased to offer this one-year grant to help you meet your educational expenses at OSU.

For more info, please schedule a meeting with Amanda Williams, CEAT Scholarship Coordinator

# CONTINUING STUDENT SCHOLARSHIPS

## STUDENT SCHOLARS PROGRAMS

### NIBLACK RESEARCH SCHOLARS:

The Niblack Research Scholars program provides support to OSU undergraduates to conduct research in one of OSU's research laboratories under the general guidance of a member of the research faculty. The NRS receive a stipend of \$2000 per semester for the academic year, plus \$4,000 for two summer months - \$8,000 total. The award winners must commit to working in a laboratory for 2 semesters and 2 summer months.

For more information and to apply, visit: [www.research.okstate.edu/nrs](http://www.research.okstate.edu/nrs)  
Deadline = March 1, 2015

### WENTZ SCHOLAR:

The Lew Wentz Foundation and OSU provide support for the nationally recognized Wentz Research Project awards. Each year, \$4,500 one-year research project awards are given to approximately 40 undergraduate student scholars to conduct independent research with the guidance of a faculty mentor.

Students must meet minimum guidelines to apply

- Classified as "undergraduate" at OSU
- Completed 12 credit hours at OSU
- 3.0 GPA

For more information and to apply, visit: <http://okstate.edu/scholars>  
Deadline = February 1, 2015

### PHILLIPS 66 SCHOLARS PROGRAM:

The P66 SHIELD Scholars program is more than a \$3,500 scholarship; Scholars also receive professional and personal development through enrichment activities, seminars and community service. SHIELD stands for Students Heightening Involvement in Education, Learning and Development.

Involvement – Community service and engagement

Education – Requires GPA of 3.25 +

Leadership – Activities focus on service learning and leadership

Development – Company mentor guides professional and personal development
