

FIRST Robotics Scholarships

FIRST ROBOTICS SCHOLARSHIP:

The OSU admission application serves as the primary scholarship application for incoming freshmen and transfer students. By completing it, and indicating a major within the College of Engineering, Architecture and Technology, you will be considered for nearly all scholarships based on eligibility.

To be considered for the FIRST Robotics Scholarships, you will also need to provide a letter of recommendation from your FIRST Robotics instructor. Email ceatscholarship@okstate.edu to submit your letter. Applications and letters of recommendation must be submitted by **February 1**. Twenty new students are selected each year*.

**All scholarships are competitive.*

REQUIREMENTS:

- Participation in FIRST Robotics
- Majoring in one of the following majors at Oklahoma State University:
 - Architectural Engineering
 - Biosystems and Agricultural Engineering
 - Chemical Engineering
 - Civil and Environmental Engineering
 - Electrical and Computer Engineering
 - Industrial Engineering and Management
 - Mechanical and Aerospace Engineering

The College of Engineering, Architecture and Technology

is proud to offer nearly \$2.5 million in scholarships annually. Thanks to the generosity of alumni and industry donors, students in CEAT have many unique scholarship opportunities including \$1,000 scholarships for involvement in FIRST Robotics and FIRST Tech. Twenty recipients are selected each year.
