

COLLEGE OF  
Engineering, Architecture and Technology

# Freshmen & Transfer Scholarships

## **SCHOLARSHIPS FOR TRANSFER STUDENTS:**

The OSU admission application serves as the primary scholarship application for incoming transfer students. By completing it, and indicating a major within the College of Engineering, Architecture and Technology, you will be considered for CEAT transfer scholarships based on eligibility. To be considered for all scholarship opportunities you must be majoring in engineering, have a minimum 3.0 GPA, documented financial need and submit a completed admission application by **February 1**.

## **SCHOLARSHIPS FOR INCOMING FRESHMEN STUDENTS:**

The OSU admission application serves as the primary scholarship application for incoming freshmen students. By completing it, and indicating a major within the College of Engineering, Architecture and Technology, you will be considered for nearly all CEAT scholarships based on eligibility. To be considered for all scholarship opportunities you must submit a completed admission application by **February 1**. Please see back page for early admission scholarship opportunities.

## **OSU & CEAT PARTNERED SCHOLARSHIPS FOR INCOMING FRESHMEN STUDENTS:**

### **Freshman Research Scholars:**

The Freshman Research Scholars Program is an OSU program available to students in any discipline. It provides an opportunity for approximately ten to fifteen bright, ambitious CEAT students to extend their education beyond the classroom by engaging in cutting-edge research under the guidance of innovative faculty researchers. The College of Engineering, Architecture and Technology partners with OSU to provide an additional \$1,000 to all CEAT Freshman Research Scholars.

For qualifications, benefits, and to apply, visit:

<https://scholardevelopment.okstate.edu/freshman-research-scholars/prospective-freshman-researchers>

### **National Merit Scholars:**

Incoming freshmen that are national merit finalists will receive a **\$2,000/yr** CEAT scholarship as a part of the National Merit package from OSU.

**The College of Engineering, Architecture and Technology is proud to offer nearly \$2.5 million in scholarships annually. Thanks to the generosity of alumni and industry donors, students in CEAT have many unique scholarship opportunities to assist them in pursuing their educational goals. These scholarships vary in criteria, from GPA requirements to demonstrated financial need.**

# Freshmen Scholars Programs

## W.W. ALLEN SCHOLARS PROGRAM:

The W.W. Allen Scholars Program is considered the premier engineering scholars program in the nation. W.W. Allen Scholars participate in special programs and activities to accelerate professional and leadership development, stimulate intellectual growth, develop career awareness and cultural perspectives, and develop interpersonal skills.

### Qualifications:

- Accepted to Oklahoma State University
- Committed to a degree in engineering
- 3.75+ GPA | Top 5% of graduating class
- 32+ ACT or 2130+ SAT
- Demonstrated leadership/community involvement

### Benefits:

- \$30,000 scholarship over four years
- National and international travel
- Leadership and professional development
- 1 year paid opportunity to attend the University of Cambridge for a Master of Philosophy

To apply, visit: <http://wwallen.okstate.edu>

**Scholar application deadline = December 1, OSU App = November 1**

## W.W. ALLEN BOYS & GIRLS CLUB SCHOLARS PROGRAM:

This is an OSU exclusive scholarship program, awarding an incoming freshman a scholarship package over \$75,000. This scholarship program was designed to benefit a person who was an active member of a Boys & Girls Club while in high school, and who wishes to pursue educational goals in the field of engineering.

### Qualifications:

- Active member of Boys & Girls Club
- Admitted to Oklahoma State University
- Committed to a degree in engineering
- 3.0+ GPA | 24+ ACT or 1650+ SAT
- Demonstrated leadership

### Benefits:

- \$60,000 scholarship over four years
- National and international travel
- Leadership and professional development

To apply, visit: <http://ceat.okstate.edu/scholarships/w-w-allen-boys-and-girls-club-program>

**OSU application Deadline = February 1**

**W.W. Allen Boys & Girls Club Scholarship application Deadline = February 1**

## CEAT SCHOLAR PROGRAMS:

The CEAT Scholars Program includes total packages ranging from \$13,000 - \$16,000 (distributed at different amounts over four years). The Scholars Program provides educational experiences for a select group of students that will develop their technical competence, a broader world view, professional and public responsibility, and leadership abilities.

Scholars are selected each year into these prestigious programs after attending the CEAT Scholars Interview Day. To be invited to CEAT Scholars Interview Day, students must meet the minimum qualifications and be accepted to OSU by **Nov 1**. Invitations to attend will be sent via mail and email in early December. CEAT Scholars Interview Day will be held the second Saturday in January.

### Qualifications:

- Accepted to Oklahoma State University
- 3.75+ GPA
- 31+ ACT or 2060+ SAT
- Demonstrated leadership/community involvement

### Benefits:

- \$8,000 - \$10,000 scholarship over four years
- National and international travel
- Leadership and professional development
