

**OSU VENUE AND PARKING MAP FOR  
THE 35<sup>th</sup> AIAA/ ASME OKLAHOMA SYMPOSIUM  
APRIL 18 2015**

**Instructions for parking:**

1. Please use the lot north of ATRC (accessed via Washington Street) or the lot east of ATRC (accessed via Hester Street) for parking.
2. As the “Remember The Ten Run” is being held on OSU campus on April 18 starting at 9:00 AM, symposium attendees are advised to arrive before 8:45 AM at the ATRC venue for registration.
3. Immediately prior to, during, and immediately after the race, members of the OSU and City of Stillwater Police Departments will be restricting access to some roads (especially east-bound on Hall of Fame and portions of Knoblock and Duck Streets) and parking lots. These will be open as quickly as possible, but just be aware. The parking lot immediately east of ATRC (south of Boone Pickens stadium) is quite congested with participants, emergency vehicles and operations, media and supporters. Access to this lot will be severely restricted and scarce.
4. Use any of the routes marked in blue in the map above to access the designated parking lots preferably before and after the run.
