ABSTRACT

The 35th annual Oklahoma AIAA/ASME Symposium will be held at Oklahoma State University on campus in Stillwater at the Advanced Technology Research Center on Saturday, April 18, 2015. The purpose of the symposium is to encourage communication among the engineers of Oklahoma's universities and industries. You are invited to participate by helping organize a session, chairing a session, presenting a paper, and/or attending presentations to listen and discuss the papers with the authors. The symposium provides a great opportunity for students to attend and present papers. The registration fee is only \$5 for students and \$15 for other professionals. The symposium will have parallel morning technical sessions and will end after a luncheon with an invited speaker. Registration will open at 8:00 am and the program will begin at 9:00.

A one page abstract must be submitted by **April 6, 2015**, to be included in the meeting program and the symposium proceedings. Presentations will be 15-minutes (12-minute presentation and 3-minutes for questions and transition). This is a sample format of the text for an abstract. The abstract should be submitted in 12 point, single-spaced Times New Roman font with right and left justified margins. The lines are to be 6-inches long with 1.25-inch right and left margins and 1-inch top and bottom margins. The abstract can be no longer than one page. The title is centered 12 point, all caps, single-spaced bold Times New Roman. Acknowledgments may be indicated in a footnote. Leave two lines between the title and the authors. The names, address, phone and e-mail address are centered 12 point single-spaced Times New Roman. Please indicate membership in AIAA and/or ASME with a footnote. Professional titles are not required. Leave two lines between the author information and the centered, all caps, "ABSTRACT." Please leave one line between "ABSTRACT" and the text.
