Dr. Fulton Presents at the Nebraska VMA

Dr. Robert W. Fulton ('66), Regents Professor and McCasland Foundation Endowed Chair for Food Animal Research, recently spoke at the Nebraska Veterinary Medical Association held in Omaha, Neb. Dr. Fulton presented "Bovine Coronaviruses: Respiratory and Digestive Tract Diseases/Infections and Bovine Respiratory Diseases History Repeated and Look to the Future."

Getting to Know You

Lauren Holmes is a veterinary assistant in the Small Animal Critical Care Unit at the Veterinary Medical Hospital. Originally from Coweta, Okla., she is a full-time student at OSU studying Animal Science with a Pre-Vet option. Her anticipated graduation date is May 2016. Lauren is very interested in herpetology (study of amphibians and reptiles) and has a ball python and Yorkie mix as pets. In her spare time, Lauren enjoys reading, going to the dog park and fishing when she is not studying.

Student Activities

The **AAEP Foal Team** will meet today, Feb. 9.
