

A total of 277 students were selected to receive AT&T/OSU Presidential Transfer Scholarships to attend Oklahoma State University in Stillwater this academic year.

These outstanding AT&T/OSU Presidential Transfer Scholars were awarded scholarships ranging from \$750 to \$2,000 per year for up to two years. The transfer scholarships are part of a \$3 million AT&T Foundation Grant to OSU that funds one of the largest college student transfer programs in Oklahoma.

“This dynamic partnership with AT&T is making a lasting impact on the educational development of our citizens and on the future economic development of our state,” said OSU Interim System CEO and President Marlene Strathe.
